Shri. Kuldeep Ostwal
(Managing Director)

Our Institution continues to Focus on Creating an Environment that Nurtures both Academic Capability and Personal Values. What once began as a Vision has now Developed into a Dynamic Space for Learning and Growth, and its Future will be Shaped by how you Carry this Forward. As you begin the New Academic Year, I Encourage you to set Clear Goals, remain Consistent in your Efforts, and Approach every Opportunity with Sincerity. Stay Focused, Remain Disciplined, and Trust the Process of Gradual Progress.

Success is not only Measured by Results, but by the Strength of Character you Build Along the Way.

MESSAGE FROM THE CEO'S DESK

Dr. Lorraine Daniels
(CEO)
U. S. Ostwal Education Society

Dear Students,

It is a Privilege to Address you through this Edition as we Reflect on a Year that has been both Enriching and Transformative.

The Past Year's Theme —“Innovate, Collaborate, and Elevate” — was not just a Guiding Idea, but a Mindset that you have Actively brought to Life. Through your Curiosity, Teamwork, and Willingness to take on Challenges, you have shown what it Truly means to Grow in Today's Evolving World.

Education Today goes Beyond Knowledge — it is about Adaptability, Collaboration and Continuous Improvement. The Experiences of the Past Year have helped Shape these Qualities Within You, Preparing you to Respond to New Opportunities with Confidence.

As you Move Forward, I Encourage you to Think Independently, Work Collectively, and Aim Higher — not just in Achievement, but in the Way you Approach Learning and Life. Be Open to New Ideas, Embrace Change, and Continue to Challenge Yourself.

The Strength of our Institution lies in your Ability to Grow, Adapt and Lead with Purpose.

Wishing you a Year filled with Innovation, Confidence, and Meaningful Progress.

MESSAGE FROM THE PRINCIPAL'S DESK

Mrs. Shweta Dalvi

Dear Students,

As I Look Back on the Year gone by, I am Filled with Pride in the Journey Each One of you has Undertaken. Every Classroom Moment, Every Effort Made, and Every Challenge Faced has Contributed to your Growth in Meaningful Ways.

A School is a Place where Learning Extends Beyond Books — it is where Values are Shaped, Confidence is Built, and Character Begins to take form. Throughout the Year, you have shown Sincerity, Enthusiasm and a Willingness to Learn. This makes our School Community Truly Special.

It is not Achievements that Matter – but the Effort, Resilience, and Positive Attitude behind them. These are the Qualities that define True Progress and Help you Grow into Responsible Individuals.

As you Step into the New Academic Year, continue to Believe in Yourself, Stay Committed to your Goals, and Face every Challenge with Confidence. Remember that Every Small Step forward Contributes to a Larger Journey of Growth.

THE JOY OF SPORTS

On fields of green and courts so bright,
Athletes chase their dream in lights.
With Pounding hearts and steady aim,
They rise and fall but, love the game.

A whistle blows, the crowd will cheer,
Courage grows, there's little fear.
Through sweat and effort, day by day,
True champions find their way.

Win or lose, the lesson's clear,
Strength is built with every year
For sports are more than score or frame
They teach the hearts to play the game.

CRICKET MATCH : A CLASSY ONE

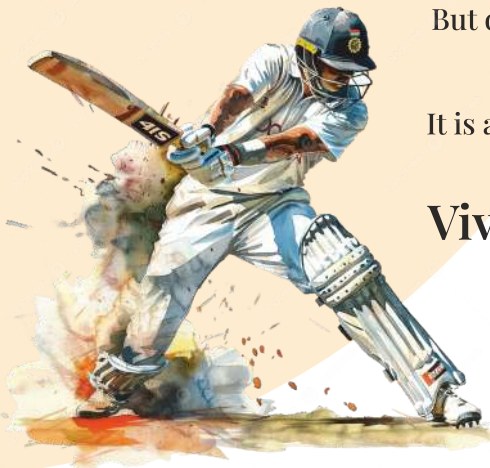

Have you ever played cricket?
It is the happiness secret!
throwing a ball And hitting a ball Joy to others if you
fall!

At the slip or at the gulley
Take a catch beautifully, others may stand dutifully
Be Tendulkar, Be Jaysurya.
Be Virat Be Dhoni
But fight to win the match.
Within the fifty overs!
Be sportive, be disciplined!!
let your skills be examined

But dear friends have
insight

It is a game not a fight!

ABOUT BADMINTON

Badminton is a game so quick and bright,
Played with a racket and shuttle so light.

Back and forth it flies in the air,
Players move fast with skill and care,
Jump, smash, and swing with might
Trying their best to win the fight.

With Focus, speed and perfect aim,
Badminton becomes an exciting game.

Thank you

VICTORY BEYOND THE SCOREBOARD

We play the game with all our might
Not just to win, but to do what's right.
We run and jump and give our best,
And learn to win and lose with a happy rest.

Victory is not just a Score
It's the fun we have, and the friends we adore
It's the effort we put, and the heart we show,
And the joy we feel, as we run and go!

We learn to be kind, to respect, and to share,
To play fair and to show care.
We win with humility, and lose with a grin,
And that's the victory that's truly within!

IT'S SPORTS TIME

Fasten your lace's,
Toes behind the line,
The sun is shining,
It's Sports Time!
It's time to have races,
It's time to have fun,
On your marks, get set.....

Jump!

Skip!

Run!

It's time for cold drinks,
It's time for rest.
Well done every one,
You've all done your best!

SPORTS : THE MEANS TO STAY FIT

Sports have always been an integral part of our lives. In unorganised form it provides us comfort in the company of our friends, it's fun and helps build trust in relationships. In organised format too, it brings many benefits like improved fitness both physical and mental, increased stamina, improved focus and tenacity, strengthens will power and our ability to

become better versions of ourselves. In today's sedentary life, keeping oneself engaged in some kind of sport helps in keeping many health issues at bay. Nowadays, not only schools, but societies too organise sports activities quite regularly. People of different age groups are participating and enjoying.

I'll conclude by reiterating a couple of sayings that have been etched into us for a long time :

"All work and no play makes Jack a dull boy."

"In a healthy body, resides a healthy mind".

So folks, what are you waiting for?...

“भारत की बढ़ती खेल संस्कृति”

आओ सब मिलकर देखो, 'भारत' में है खेल का 'मेला',
बदल रहा अब 'कोना-कोना', 'कबड्डी, हॉकी, क्रिकेट, इत्यादि का
खेला'।

छोटे बड़े 'खिलाड़ी' हैं, अब हर घर और 'गली-गली'
सपनों के पंखों को, अब हर दिन एक नई 'उड़ान' मिली।

पहली बार 'विश्व कप' जीतकर, नया इतिहास रचाया है,
भारत की बेटियों ने भी, इस 'घरा' को जीत का 'ताज' पहनाया है।

मशाल जली 'ओलंपिक' की, आया 'कॉमनवेल्थ',
बरसात हुई 'पदकों' की, जागरूक है, युवा शक्ति अब, प्राथमिकता बनी
'हेल्थ'।

असली मंजिल और तेज तालियों को पाने का 'शोर' अभी तो बाकी है,
मुठ्ठी भर जमीन टटोली है, 'आसमान' अभी भी बाकी है।

कीर्ति गूंजेगी, एक दिन तुम्हारी, पर खुद को 'समर्पित' करना होगा,
जय-पराजय से कभी ना डरना, 'क्रीडांगन' में बस आगे बढ़ना होगा।

SPORTS: RISING INDIA

In India's fields of play,
cricket was the only game to stay,
But times are changing, attitudes too,
Now sports like kabaddi and hockey shine through.

The Government's support is now in sight,
Incentives and schemes to make athletes take flight,
'FIT India' and 'TOPS', a helping hand
Motivating athletes to reach the land
with infrastructure and funds, they pave the way,
For India's sports stars to shine day by day

Mr. Modi's words, a motivational cheer,
"Ek India, Best India, lets strive and persevere",
His encouragement and support so true,
Athletes are motivated, their dreams to pursue.
with his guidance, India's sports will grow,
And the world will witness India's glory show

Today's India's sports scene is on the rise,
with medals and wing, the nation's pride shine bright.
From wrestling to badminton, India's on the roll,
A sporting nation, with a story to unfold.
with youth and talent and support so strong,
India's future in sports will be bright and long.

HOW SPORTS CHANGED MY LIFE

Sports play a very important role in my life.
Playing sports makes me healthy, active and
happy. When I play games like cricket, football
or badminton, my body becomes strong and my
mind feels fresh.

Sports teach me many good habits. I learn
teamwork, discipline and time management,
When I play with my friends, I understand how
to work together and help each. Sports also
teach me how to accept both winning and losing
with a smile.

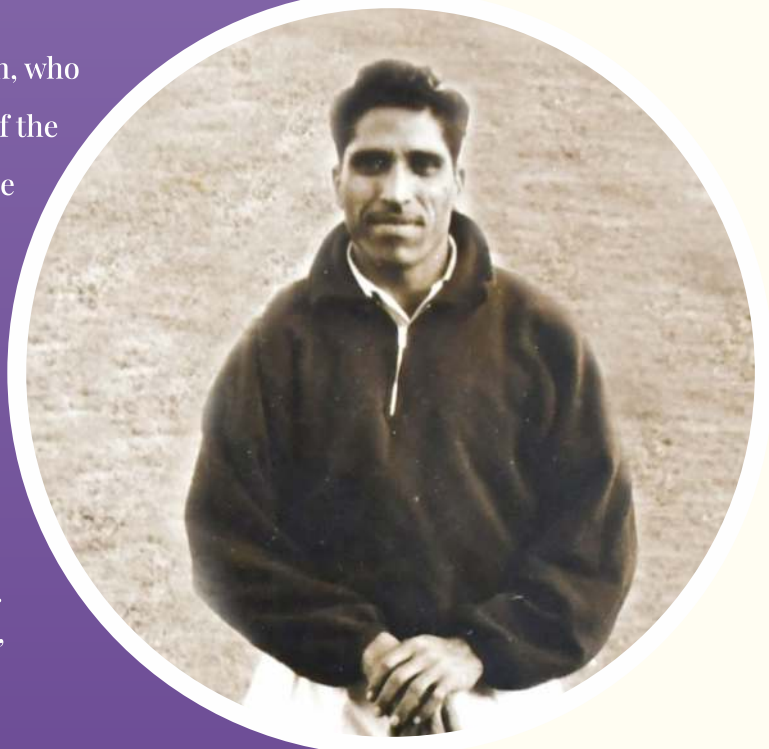

Playing sports helps me reduce stress and feel
confident. It improves my focus in studies
and keeps me energetic throughout the
day. Sports also helps me make new
friends and build good relationships.

In short, sports have changed my life by
making me stronger, smarter and
more confident. I believe sports are
not just games, but an important part
of a healthy and happy life.

UNSUNG HEROES OF INDIAN SPORTS - SHANKAR LAXMAN

The double Olympic gold medallist Shankar Laxman, who died uncared and unsung at the age of 73, was one of the greatest hockey players of all time at a time when the sport had a status close to religion in India. The first goalkeeper to become captain of an international hockey team, he was the only one to have played in three successive Olympic finals. Shankar Laxman was also the man who stood between gold for India and brutal Pakistan onslaughts in the 1964 Tokyo Olympics hockey final. In fact, his opponents called him Rock of Gibraltar!”

Modest to a fault, Laxman was the only player from the victorious team chosen to receive India's highest sports honour, the coveted Arjuna award. In 1966, he captained India in the Asian Games in Bangkok and again beat Pakistan for the gold medal. In 1967 he was presented with the prestigious Padma Shri award by the President of India for his sporting achievements. Forgotten by the hockey authorities and aficionados alike, Laxman lived in poverty and Passed away after suffering years of agony. It's time Indians were reminded about the great achievements of this unsung sporting hero.

To the teachers who have guided the Class of 10 through this pivotal year,

As this academic chapter draws to a close, it is impossible to ignore the profound impact you have had on every student who walked into your classroom. Grade 10 is more than just a year of textbooks and examinations; it is a year of immense pressure, transition, and self-discovery.

Through every challenge, you have been the steady hand navigating us through the storm.

Thank you for:

The Boundless Patience: For explaining the same complex theorem or grammatical nuance until the light finally clicked for everyone.

The Extra Miles: For the early mornings, the late-night grading, and the lunch breaks sacrificed to solve a doubt or offer a word of encouragement.

Believing in Us: Often more than we believed in ourselves. You saw potential in our mistakes and resilience in our struggles. More than Academics:

Thank you for teaching us discipline, integrity, and the courage to lead. You didn't just prepare us for a board exam; you prepared us for the life that follows it.

Your influence doesn't end with the final bell or the last paper. You have shaped the way we think, the way we solve problems, and the way we view our own futures. We carry your lessons, your corrections, and your kindness with us as we step into the next phase of our lives.

From the bottom of our hearts, thank you for being our mentors, our supporters, and our greatest advocates.

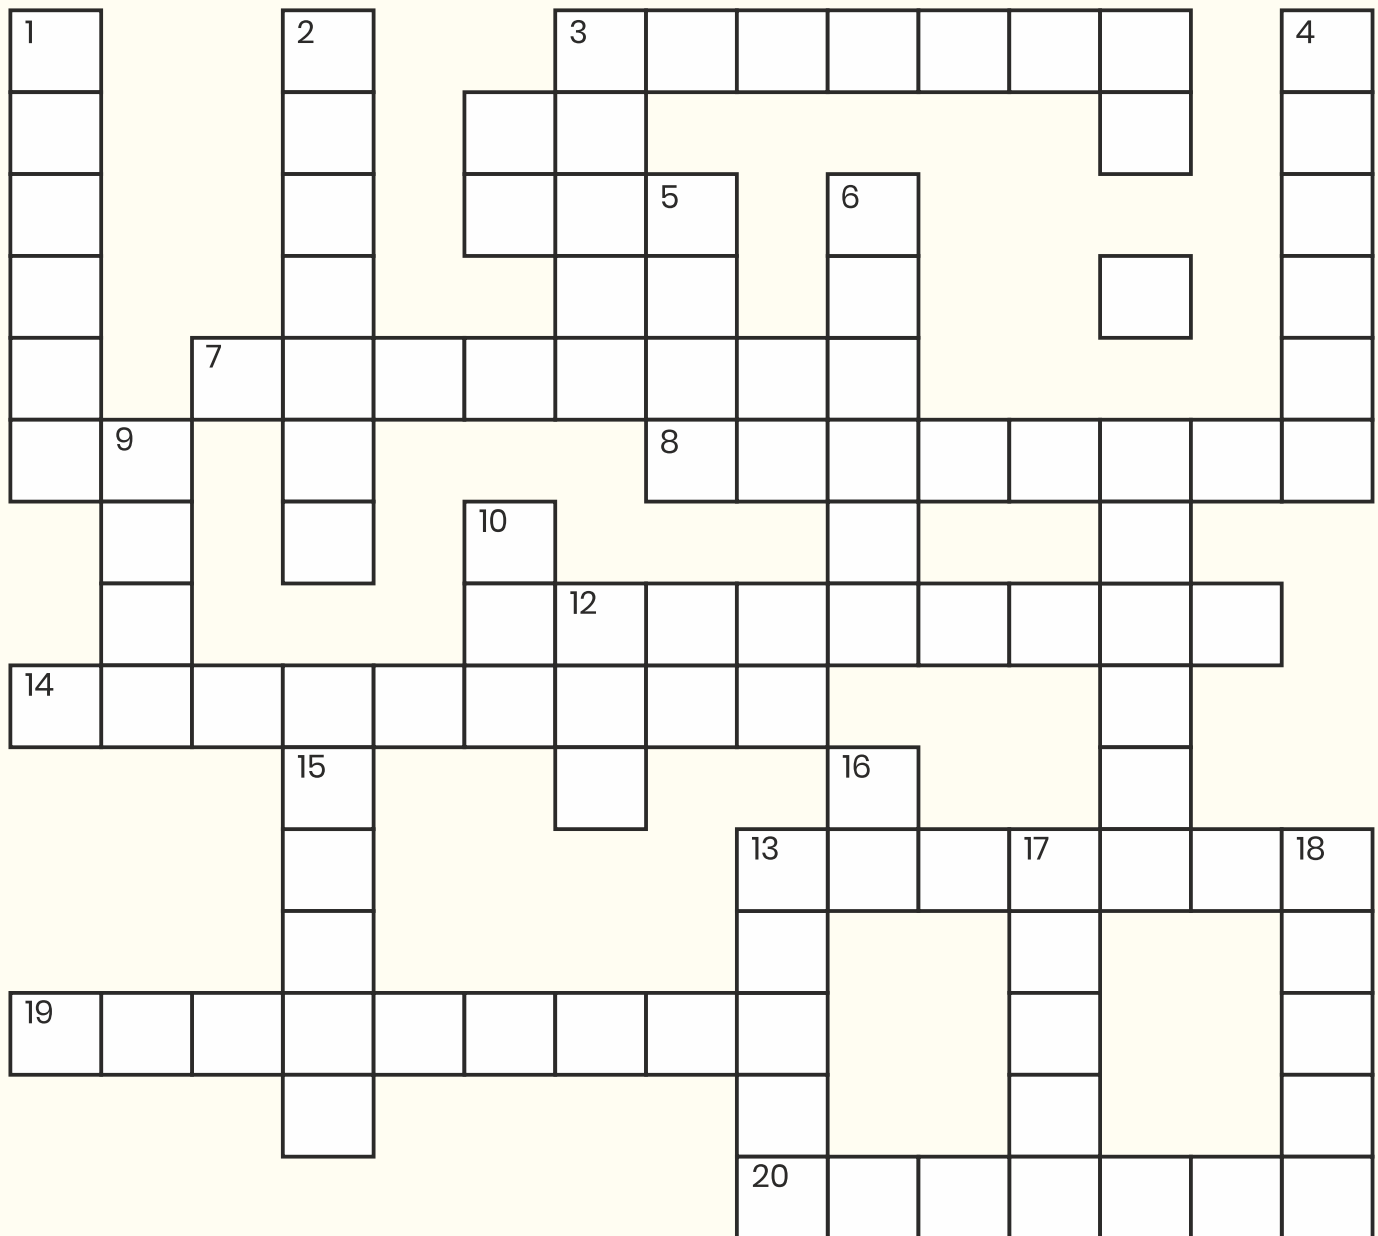

With sincere appreciation,

Vansh Jain (I - C)
